Subject: Public comment on clearcut adjacent to Kubota Gardens

Categories: Melinda

CAUTION: External Email

Thanks for allowing public comment on project 3018093 at 9666 51 Ave S. Add my voice to the required 50 comments to require the developers to conduct a public meeting to look at the environmental implications of clear cutting this closed-canopy tree area which is right next to Kubota Gardens.

Thanks so much for your attention to this,

Patty Cannon
